

1st Annual NASA EPSCoR Directors National Meeting

Hilton Houston NASA Clear Lake
 3000 NASA Parkway
 Houston, TX 77058
 June 14 & 15, 2017

Day	Time	Duration	Speaker - purpose
13-Jun	6:30 PM	2:30	Meeting Sign-in opens at Hotel
14-Jun	7:00 AM	All Day	Meeting Sign-in Continues
	7:30 AM	1:00	<i>Breakfast & Networking</i>
			Research Opportunities, Avenues and Processes
	8:30 AM	0:15	Meeting Logistics , Kathy Sibert, NRESS Welcome - Dr. Kamlesh Lulla, Director, University Research Collaboration and Partnership Office, NASA Johnson Space Center
	8:45 AM	0:15	Why we are gathered & expectations , MC - Dr. Denise Thorsen, Director Alaska NASA EPSCoR
			Mission Directorate Panel - Where We Are Going? Moderator - Dr. Angela Des Jardins, Chair, NASA EPSCoR Caucus and Director, Montana NASA EPSCoR Karen Rugg - Lead for Communications and Education, Aeronautics Research Mission Directorate - Via VIDYO Willie Williams - NASA HQ, Human Explorations Operations Mission Directorate Rita Sambruna - Science Program Manager, Science Mission Directorate, NASA Headquarters Max Bernstein - Science Mission Directorate, NASA Headquarters - Via VIDYO Link Lin Chambers - Science Mission Directorate, NASA Headquarters - Via VIDYO Link Joseph Grant - NASA HQ, Space Technology Mission Directorate Harry Partridge - Chief Technologist Ames, Space Technology Mission Directorate
	10:30 AM	0:20	<i>Break & Networking</i>
			Commercial Space Research Perspective Panel Moderator - Dr. Patricia Hynes, Director New Mexico EPSCoR Celena Dopart - Boeing's Commercial Crew Program Marc Timm - NASA HQ, NASA Commercial Space Programs James Vanderploeg, MD, MPH - Professor, Aerospace Medicine, Director, Clinical Preventive Medicine, The University of Texas Medical Branch Wayne Hale - Former Shuttle Program Manger now VP of Human Spaceflight with Special Aerospace Services Mark Polansky - Former astronaut now head of Commercial Space Operations with Barrios Technology
	12:20 PM	1:00	<i>Lunch & networking</i>
			ISS Flight Opportunities Process & Procedures "Road Show" Panel Moderator - Willie B. Williams, NASA EPSCoR ISS Research Portfolio Manager Marybeth Edeen - ISS Research Integration Office Mike Surber - ISS Research Integration Office Julie Robinson - ISS Program Scientist George Nelson - NASA Research Ana Lopez - Research Integration
	3:20 PM	0:20	<i>Break & Networking</i>

Day	Time	Duration	Speaker - purpose
			IMPACT, Success Stories, Lessons Learned and how they are used
	3:40 PM	1:00	Crystal Bassett - EPSCoR Project Office, KISS III Dr. Steve W. Martin, Distinguished Professor, Department of Materials Science & Engineering, Iowa State University Sc-I - Battery Research, From \$750K to \$10 M Research Effort Dr. Ali Abedi, Professor of Electrical and Computer Engineering, UMaine Sc-I - ISS Flight Experiment, Joint Leak Detection and Localization - First look Dr. Maria Katzarova, University of Delaware, MISSE-9: Increased EVA astronaut protection with a low volatility oil-based STF-Armor™ treated TMG
	4:40 PM	0:10	Day Wrap up, Discussion Denise Thorsen
	4:50 PM	1:00	<i>Heavy hors d'oeuvres & networking</i>
15-Jun	7:00 AM	1:00	<i>Breakfast & Networking</i>
	8:00 AM	0:15	EPSCoR Business Lenell Allen/Denise Thorsen
	8:15 AM	0:20	Jeppie Compton - NASA EPSCoR Project Manager
	8:35 AM	0:30	Libby Romaguera/Theresa Stanley - NSSC EPSCoR Grants Officer
	9:05 AM	0:15	Christie Hasson - EPSCoR Finance, KISS III
	9:20 AM	0:15	Crystal Bassett - EPSCoR Program Coordinator, KISS III
	9:35 AM	0:30	EPSCoR Business Open Panel
	10:05 AM	0:20	<i>Break & Networking</i>
			JSC Research Priorities Break Out Session
	10:25 AM	1:45	Dr. Kamlesh Lulla - NASA Johnson Space Center Host 1. Human Interfaces for Robotics and Tele-Robotics - Dr. Kim Hambuchen 2. Materials and Structures - Jasen Raboin 3. Wearable Technology - Cory Simon 4. Energy Storage Technologies / Batteries, Regenerative Fuel Cells - David Delafuente 5. In-Situ Resource Utilization - Landon Moore 6. Environmental Control and Life Support System - Dan Barta and Molly Anderson 7. Autonomous Rendezvous and Docking - Scott Cryan 8. Wireless and Communication Systems - Dr. Ray Wagner
	12:10 PM	1:10	<i>Lunch & Networking</i>
	1:20 PM	0:10	To the Tour Buses & networking
	1:30 PM	3:00	Buses leave on JSC tours
	4:30 PM		Buses return to hotel
